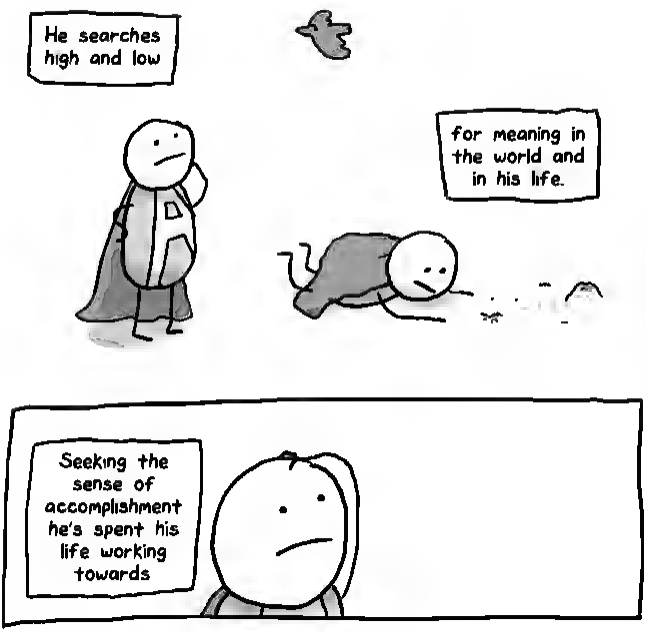
ACTION GUY

HE DEFEATS THE HIERARCHY OF NEEDS!

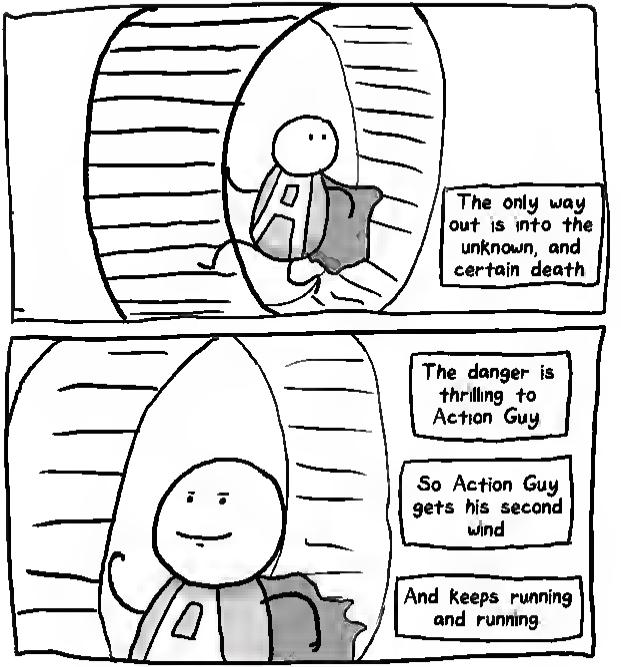
ISSUE #2

by LARS



He searches high and low
for meaning in the world and in his life.
Seeking the sense of accomplishment he's spent his life working towards

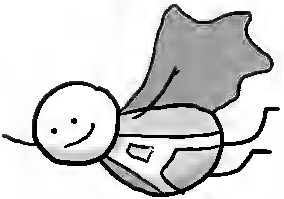
Having acheived his basic human needs,
NICE, DUDE.
MASLOW
ONE MORE NOW.
Action Guy ponders his final task
Self Actualization



The only way out is into the unknown, and certain death
The danger is thrilling to Action Guy
So Action Guy gets his second wind
And keeps running and running

Someday, when his legs will no longer keep running,

he'll find out what's in that void



But he's not ready today

So he holds on to that thrill for another day

Suddenly it occurs to him:
Life is like running in a hamster wheel suspended in a void
Running IS the accomplishment.
